

BNPL - Buy Now Pay Later (myPaylater)

Overview

BNPL stands for "Buy Now, Pay Later." It is a payment method that allows consumers to make a purchase and delay payment for it over a period of time. Instead of paying the full amount upfront, BNPL services enable customers to split the cost into installments.

Typically, BNPL services are offered by third-party providers or integrated into e-commerce platforms.

BNPL is LinkAja new product that let consumers to make a purchase by using their pay-later account. For the moment, LinkAja has partnered with Kredivo.
